PETITIONER'S COMMENTS

Please accept these comments as restated below from  
Proponents original petition.

DISCUSSION

Petitioner respectfully submits that the public  
interest would be served by allocating Channel 296C3 to  
Paint Rock, Texas as that community's first local  
transmission service. Paint Rock, Texas is an incorporated  
community with a population of 320 people.<sup>1</sup> Paint Rock has  
its own post office, its own volunteer fire department, its  
own mayor, its own city offices and a number of local  
churches. Paint Rock is a community that is certainly  
deserving of a local FM service. The proposed channel  
296C3 will provide additional diversity and an outlet for

local self-expression to Paint Rock residents and therefore is in the public interest.

Should this petition be granted and Channel 296C3 is allotted to Paint Rock, Texas, Petitioner will apply for Channel 296C3, and after it is authorized, will promptly construct the new facility.

The factual information provided in these Comments is correct and true to the best of my knowledge.

Respectfully submitted,
